PRAYER POCKET NOTES.....

“No one’s relationship with Christ will rise above the level of his or her praying. Put simply, if your prayer life is inconsistent and weak....your relationship with God will be as well.” Dr. Gregory R. Frizzell.

“Well, all we can do now is pray.”

How often we make this statement. I am alarmed at how often I make this very proclamation. What we should be saying is “We can pray about it, and thank you Jesus for that privilege.”

Prayer should not be our last resort but our first response! Who better to call upon than the creator Himself! Philippians 4:6 says “Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. When we do ask for help we should do so with faithful expectation that the Father will answer our prayers according to His will and what is best for all.

So let’s stop saying “Well, all we can do now is pray” and correct our perspective. “Thank God we can pray!”

**Follow Prayer Pocket Ministries daily on Facebook for inspiration and prayer points.
If you do not have a Prayer Pocket and would like one please contact us at prayerpockets@gmail.com**

Thanks for your participation so far in Prayer/Care/Share 2018!

As of the end of February CRBC has reached out to our community through a work project at **Your Choices Randolph**, showed Acts of Kindness with our **Love Asheboro** campaign and the **Baby Bottle** project! Be on the lookout for more opportunities to share God with our community this year!
